Subject: FOIA Request EPA-R2-2017-003521
Date: Tuesday, February 14, 2017 4:07:00 PM

Paul,

This is to confirm our telephone conversation yesterday afternoon clarifying your Freedom of Information Act (FOIA) Request No. EPA-R2-2017-003521 as follows:

- Where the FOIA Request says “All documents constituting or relating to communications . . .” you are looking for e-mails and letters between EPA and representatives of the entities listed in the FOIA Request.
- As to the representatives of the entities listed in the FOIA Request, we will search our files for the entities listed at the beginning of the FOIA Request (Linden Property Holdings LLC, G-I Holdings, Inc., GAF Corporation, Standard Industries) and the names of the firms listed at the end of the FOIA Request.
- As to the trusts created for the benefit of any members of the family of Samuel Heyman, we will search our files for the word “Heyman”, since we understand that the list of relevant trust numbers is extensive.
- You confirmed that the address of the site referenced in subpart (3) of the FOIA Request is as written (“4000 Road to Grasselli in Linden, New Jersey”).
- The cost limit for this FOIA Request will be set at \$1,000. If our costs for responding to this FOIA Request begin to approach \$1,000, we will contact you again with a new cost estimate and check on your willingness to proceed.

Please confirm in writing this clarification of your FOIA Request. We will wait for your response before proceeding further with our review. Feel free to contact me with any questions.

Regards,

Krista
